Our Purpose Statement: We seek the spiritual empowerment of women. It is our goal to create safe, sacred space for exploring women's spirituality through music. Through song we intend to enhance consciousness of Mother Earth, express love for the environment, and celebrate traditions from many cultures. As we find the power behind our voices, we then blend that power to create an even greater voice

“Women With Wings’ Hand in Hand & Heart to Heart is a beautiful, well-produced CD of 20 uplifting, healing, and empowering original songs and chants by many women. Over 40 voices sing a capella, in unison or with simple harmony and drum accompaniment, offering us a rich selection of easy to learn words and music. It is a wonderful resource, especially for women’s circles and rituals.”
